

**What's New - April 20, 2009 - Volume 2009 Issue 02**

Welcome to the latest edition of the West LRT e-newsletter. As the project progresses and the Design-Build contract announcement (fall 2009) gets closer, there will be lots to talk about. In this edition, you will find updates on a number of project elements, such as an upcoming Calgary Transit open house, construction beginning on the Shaganappi Point Golf Course, an updated 3D Model to view, and much more.

If you haven't been on [www.westlrt.ca](http://www.westlrt.ca) in the past few weeks, please go and visit the website. There's lots happening these days and much more to come.

Have a good day,

Ryan Murray  
Communications Advisor  
West LRT Project

**Upcoming Calgary Transit Public Open House**

Calgary Transit invites you to attend a public open house to review proposed Feeder Bus Route plans to serve Southwest Calgary when the West LRT opens in 2012. There are two open houses scheduled for your convenience:

Thursday, April 23 from 6-9 p.m.  
Strathcona Community Association (277 Strathcona Dr. S.W.)

Wednesday, April 29 from 6-9 p.m.  
Glamorgan Community Association (4207 41st Ave. S.W.) in the Main hall.

Both open houses will display the same information. Calgary Transit and City Employees will be available to answer questions and address your comments. Please visit the [Calgary Transit Bus Route Changes](#) web page for more information.

**Construction Update!!**

Construction began on the Shaganappi Point Golf Course during the week of April 13, 2009. The golf course reconfiguration is necessary to accommodate the widening of Bow Trail. Please visit the [Shaganappi Point Golf Course web page](#) for more information.

In addition to the golf course, the future West Calgary High School will begin

**Westbrook Village Area  
Redevelopment Plan  
(ARP)**

Phase 2 of the Westbrook Village ARP is now underway. It will determine the appropriate land uses, density and building forms for varied and comprehensive redevelopment opportunities while taking into account the existing uses, such as the single detached residential communities.

**Website Update**

Amongst the number of updates to [www.westlrt.ca](http://www.westlrt.ca), the 3D Model has been revised to more accurately reflect the LRT alignment, lane configurations and intersection designs. Please visit the [3D Model web page](#) and take a ride on the West LRT.

construction in early May. Construction Manager Stuart Olson will be on site in the beginning of May to prepare for the ground-breaking. Please visit the [West Calgary High School web page](#) for details on the new school.

Visit the [Westbrook Station Area web page](#) for more information and to review the Westbrook Village ARP.

The West LRT Land Use Study Summary Report - Final Draft has been approved. Check out the [West LRT Land Use Study web page](#) to review the final report.

Here are some other web pages on [www.westlrt.ca](http://www.westlrt.ca) that feature updates:
