

# Landscaping the West LRT

## DESIGN CONSIDERATIONS

- Enhance pedestrian and cyclist routes
- Meet City of Calgary Landscape Specifications
- Best practices for Crime Prevention Through Environmental Design (CPTED)
- Budget
- Land constraints
- Long term maintenance
- Survivability of plants

## SCHEDULE

- Begin landscaping in 2012
- Complete landscaping in 2013

## TREES

- Trees removed to accommodate the West LRT will be replaced at a 2 to 1 ratio as per Urban Forestry requirements
- More than 1,700 trees and other plantings are being proposed in the West LRT landscaping plan

Visit [westlrt.ca](http://westlrt.ca) for more information on the project and landscaping.
